

Scavenger Hunt Guidelines

Your Mission:

To find all the clues that is located in various buildings on Campus within the given 3 day period (October 19th to 21st 5 pm.)

How do you get points?

The first clue is posted on the website at (www.sustainability.msu.edu). Find the locations specified by each clue, visit those locations, and collect the next clue till you find the last one. There are a total of 5 clues sheets you'll be collecting. Save all the clues in a piece of paper and bring it to 112 Olds hall by 5 pm October 21st 2009.

Team Size

Team size can be anywhere from 1 to 5.

What kind of questions are on the hunt?

To go with the campaign of this week, 'Campus Sustainability', the hunt questions are written to imply the green locations on campus that are in way trying to reduce the Campus's environmental footprint. The game aims to create awareness about these locations on campus, in addition to acknowledging them.

What could you win?

If more than one team gets all the clues right and is able to get us all the clues on a piece of paper, then the winner will be selected from a drawing. There are two prizes to be won: An MSU bike Lease and a \$50 gift card from MSU bikes.

Please contact the Office of Campus Sustainability at 517-355-1751 or begreen@msu.edu if you have any questions.
